A brand new, heart-warming, critically-acclaimed musical, set in a 1930s coastal town in South Devon.

When the residents of Bigbury-on-Sea encounter a feisty, hard to place, foster child, suspicion and disdain quickly spread. As she settles in, Fran dares to challenge attitudes, but as the the livewire shocks the locals, she starts to closely impact on the people around her. Can odd get even and on the way find somewhere to belong, a loving family and friendship?

Featuring toe-tapping songs, haunting melodies and rousing choral numbers, and appealing to all ages, FRECKLES is a brand new musical about bullying, being brave in the face of adversity, and the power of being yourself.
